Trinidad and Tobago ratified the Convention on Biological Diversity on August 1, 1996 and in accordance with Article 6 engaged in a national project for the conservation and sustainable use of the country's biodiversity resources. This document, the National Biodiversity Strategy and Action Plan (NBSAP) for Trinidad and Tobago, represents the culmination of the first phase of planning and resulted from a year-long project characterized by workshops, consultations, public meetings, and sensitization sessions for selected groups.

Many hospitals and health care organizations that were independent freestanding institutions are now part of large health systems that deliver patient care in a variety of inpatient, ambulatory, and community settings. Vast changes in the U.S. health care system are reshaping how librarians provide services to physicians and other patient caregivers, as well as to medical and allied health sciences students and faculty. Twenty-one experts have contributed to this groundbreaking text; their individual chapters offer specific practical advice on administrative issues, planning, and marketing. Financial management, space planning, collection development, cataloging and classification, document delivery, audiovisual services, every aspect of managing today's ever-changing health care library, required reading for any librarian offering health care information to professionals, faculty, or consumers.
